IV-Pole

Area of application

comfortable height adjustment through a screw-height adjustment with an integrated, surface-gently mold clamping element

Technology

All plastic parts are lightfast

Stainless steel tubes according to DIN EN 10217-7

Safety bottle cross according to DIN ISO 15375

a sealing cap prevents the IV-pole from hygienical senstive liquids

Safety

Low risk of pinching when retracting and extending the IV-pole thanks to the built-in safety distance
