IV Pole Normal care

Area of application

optimal hygienic characteristics (wipe disinfection)

Comfortable height adjustment via one-hand safety height adjustment

very easy and fast assembly through a plug in and out system with only 1 screw connection

Economy

Compact packaging allows for low-cost shipping

Safety

The base legs are sealed with plastic plugs (no risk of injury)

Low risk of pinching when retracting and extending the IV-pole thanks to the built-in safety distance

an integrated base-weights facilitates a safer attachment of various pumps and other medical equipment

No risk of injury thanks to the rounded shape of the bottle hooks

The geometry of the hooks prevents the infusion bottle from falling out
