Weight Box2	2,6 kg

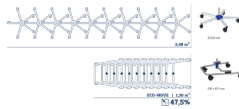

Mobile due to
high quality castors

Shipping optimized packaging
up to 50 pieces on one pallet

I-S14212 IV-Pole "Eco-Move"

Safety

The base legs are sealed with plastic plugs (no risk of injury)

Low risk of pinching when retracting and extending the IV-pole thanks to the built-in safety distance

an integrated base-weights facilitates a safer attachment of various pumps and other medical equipment

No risk of injury thanks to the rounded shape of the bottle hooks

The geometry of the hooks prevents the infusion bottle from falling out
