Hygiene Centre

Technology

Stainless steel tubes
according to DIN EN 10217-7

Material ultrasonic and eddy
current tested (according to
EN 10246-9/3)

Welded stainless steel
castor pins reduce the risk
of rusting and improve the
mechanical and hygienic
conditions

great running characteristic
through high value 80 mm
Mono castors

Safety

The base legs are sealed
with plastic plugs (no risk of
injury)

Cylindrical and polished
base legs reduce the surface
area for dirt and germs to
settle
